

## **Job Opportunity: Neonatology Fellow NICU HUG (Geneva)**

Our Neonatal Intensive Care Unit (NICU) is seeking a motivated **Neonatology Fellow (Chef de Clinique)** to join our team starting in **November 2026 or earlier**, depending on availability.

### **Eligibility Criteria**

Applicants should meet one of the following requirements:

- Be in the final year of Pediatric Residency training and have prior experience in Neonatology; or
- Hold a completed Board Certification in Pediatrics (Swiss Federal Diploma or qualification recognized by MEBEKO) and have experience in Neonatology.

### **Required Qualifications**

- Strong clinical interest and experience in Neonatology.
- Ability to work effectively within a multidisciplinary team in a tertiary-care neonatal intensive care environment.
- For non-French-speaking applicants, a minimum **French language proficiency level of C1** is required.

### **What We Offer**

- The opportunity to work in a dynamic and highly specialized Neonatal Intensive Care Unit.
- Exposure to a broad range of neonatal pathologies and intensive care practices.
- A stimulating academic environment with opportunities for teaching, research, and professional development.
- Collaboration with experienced neonatologists and multidisciplinary healthcare professionals.

**Start date:** November 2026 or earlier.
